

CONSTRUCTION CORNER

Bridge Repairs – 2019 includes a series of maintenance and safety improvements to the Main Street Bridge, Silk Creek Bridge and the Harrison Avenue Bridge.

- **WEDNESDAY, MAY 1 – FRIDAY, MAY 3**

- **BEGINNING 9AM WEDNESDAY:** The intersection of W Main St and River Road will be operated by flaggers beginning at 9am through 5pm. Traffic signals will be turned off and flaggers will control access across the Main Street Bridge by closing one lane at a time.
- Contractors will clean the existing deck and then pour a new concrete driving surface.
- Traffic will be controlled by flaggers during this operation.

- **MONDAY, MAY 6 – TUESDAY, MAY 7**

- Silk Creek Bridge: Contractors will be excavating and placing new steel panels under the approaches.

- **WEDNESDAY, MAY 8**

- Contractors will pave the approaches to the Harrison Avenue Bridge, Silk Creek Bridge and Main Street Bridge. Flaggers will be used during this operation.

- **BRIDGE RAILING REPAIRS** – The Contractor will continue **renovations\repairs to bridge railings and concrete pillars** at the Main Street Bridge and the Silk Creek Bridge. The work generally includes:

- Containment scaffolding and tarps will be used to prevent hazardous materials from falling into the waterway.
- Disposal of hazardous materials generated by the power washing and paint scraping will adhere to state and federal requirements.
- Detour routes will be setup to redirect pedestrians during this work.

- ***The expected project finish date remains May 24, 2019.***

The traveling public should anticipate delays traveling or near the construction. Please drive cautiously, observe all construction signage, and use alternate routes if possible.

These projects are weather-dependent and the weekly schedule is likely to change.

Please call Public Works Engineering at 541-942-3340 with any questions.
